```

Key	
id	Alarm ID
imei	Device IMEI
time	Alarm Time / Device Time
alarm	Alarm type in camel case (eyes_closed, yawning)
dms_video_url	MDVR Platform URL for download video evidence
dms_video_url_after_proccess	Temporary URL after the video has been processed for future analysis by TransTRACK, if needed
confidence_level	AI Confidence level overall
review_result	Is the alarm true or false
process_duration	How long does the engine take to complete the process in milliseconds
other	put other data in here if you need additional data / information for submit to us
